MINNESOTA BULLETIN NO. 300-5-39

SUBJECT: LTP – 2005 TSP ALLOCATIONS

Purpose. To provide information.

Expiration Date. September 30, 2005.

Initial Technical Service Provider (TSP) allocations for FY-2005 have been made. Amounts in Fund Code 76T for each Area Sub Fund have been entered into ProTracts. Areas should allocate TSP 76T funds to the appropriate county where needed. These amounts include producer contract TSP work for:

1. Practices 316/317/784 – See attached listing for approved contracts;
2. Practices 490/612/666/657/645 per ASTC (FO) for Area 1 and 3;
3. Practices 590/595 for 2003 or 2004 contracts only. TSP funds may be added to existing contracts in Protracts and this may be for 1st, 2nd or 3rd year of these practices.

Field offices will utilize Protracts to obligate TSP funds using Fund Code 76T. This may be done by adding a new item number to an existing contract or as a part of the initial contract (for new 2005 EQIP contracts).

Remember to review Minnesota Bulletin 300-5-35 for additional guidance.

If additional TSP funds are needed for these three priority categories, contact Tim Koehler with this request.

Questions should be directed to Tim Koehler.
